## Join us in celebrating our 40th Birthday in style!

On board HMS Warrior

### Polypipe's Annual Charity Sailing Event in support of Help for Heroes and John Merrick Sailing Trust.

This is a special year in Polypipe's history. With that in mind we hope you can join us to celebrate the milestone in Polypipe's journey. To mark this occasion, we are changing our evening entertainment to HMS Warrior the largest warship in the world when she was built in 1860. This is a **TICKET ONLY** event due to security at the Historical Dockyard/Naval base. **Evening entertainment\***

The night will include musical entertainment and crew from the HMS Warrior to explain in more detail, Britain's first iron-hulled armoured battleship. A few sea shanties and some fabulous food all served below deck. A welcome drink to start and a pay bar during the evening.
